

HUNTON TRANE: Commercial Line Card

TRANE EQUIPMENT AND SYSTEMS

- Complete line of light commercial, commercial, TR200 VFD's, industrial HVAC products and systems
- Energy analysis, HVAC training programs, systems application expertise

TRANE BUILDING AUTOMATION

- Complete line of building automation solutions for large and small facilities
- Energy conservation solutions - IAQ, LEED, demand-side management
- Web based/networked systems

BUILDING SERVICES

- OEM warranty service and support
- Performance based HVAC systems maintenance programs

VALENT AIR

Valent designs and manufactures dedicated outdoor air handling units that require robust cabinets and components to effectively condition 100% outdoor air — on the coldest winter day or the most humid summer day. www.valentair.com

MITSUBISHI TRANE

Variable Refrigerant Flow Systems, ductless split systems www.metahvac.com

CALMAC

Electrical demand reduction systems, thermal storage systems www.calmac.com

INGENIA TECHNOLOGIES

Custom air handlers (316L, 316, 304, aluminum, and galvanized), direct replacement air handlers, AHUs with custom piping and pumping packages www.ingeniatechnologies.com

INNOVENT

Custom energy recovery units, custom air handling units, desiccant dehumidifiers, pool dehumidification units, packaged refrigeration systems (heat pumps, a/c and evaporative condensing) www.innoventair.com

ARCTIC CHILLER GROUP

Air cooled and water cooled centrifugal chillers utilizing Turbocor® compressors, modular chillers, process chillers, medical chillers (linear accelerator and MRI), pump and hydronic packages www.articchillergroup.com

FULTON

Condensing boilers, steam boilers, ancillary steam plant accessories, custom engineered steam plants www.fulton.com

ALFA LAVAL

Plate and frame and brazed plate heat exchangers www.alfalaval.us

CANARIIS CORPORATION

Pumping packages, heat transfer skids, air-cooled and water-cooled chilled water plants, steam and hot water boiler plants www.canariis.com

10555 Westpark Dr., Houston, TX 77042

TAS ENGINEERED MODULAR SOLUTIONS

Packaged central chiller plants, combined heat, power plants. www.turbineairsystems.com

DIVISION RAE CORPORATION

TECHNICAL SYSTEMS, INC.

Custom DX condensing units and chillers, low noise solutions www.technical-systems.com

MJC

Air rotation units, custom HVAC equipment, modular self-contained replacements, modifications and coating www.mjcinc.com

UNITED COOLAIR

1 to 100 ton "All-Indoor" modular HVAC solution systems for commercial and industrial cooling as well as 100% outside air applications www.unitedcoolair.com

GENESIS AIR

Design and manufacture of Trane Catalytic Air Cleaning System (TCACS), Filtration System combining MERV rated filters, integral UV lights and special material to produce chemical reaction which combats organic and inorganic particles, Can be used with both new and existing AHUs www.genesisair.com

CONSERV

Energy Recovery Ventilators (ERV). www.conserv.com

BRD HUSH CORE

Noise control and acoustical solutions www.hushcore.net

WESSELS

Expansion tanks, air separators, buffer tanks, glycol feed systems, pot feeders, blow down tanks, heat exchangers (braze plate, plate and frame, shell and tube) www.westank.com

THYBAR

Custom roof curbs, equipment modifications, replacement air handlers www.thybar.com

TEMSPEC

Classroom unit ventilators, high-rise fan coils www.temspec.com

CLIMATEMASTER

Water-source heat pumps, water-to-water heat pumps, high-rise water source heat pumps www.climatemaster.com

CENTROTHERM

Polypropylene boiler venting material www.centrotherm.us.com

REFTEKK

Bendable H55 hard copper, digibender, swag expander, brazing rings. Useable for refrigerant piping, plumbing, and medical gases www.reftekk.com
