

### TRANE EQUIPMENT

Air handlers, chillers (10 tons-4,000 tons, available down to 0° F), pressurization units, class 1 division 2, TEMA-R and API shells. [www.trane.com](http://www.trane.com)

### TRANE CONTROLS

Trane Tracer, globally accessible control system, electrical, water, compressed air, gas, process flow metering-monitoring-reporting with customer adjustable dashboards. Industry standard NEMA-4X and NEMA-7 controllers. A web/IP based controls system that is accessible from anywhere in the world. That supports multiple open source communication protocols including BACnet and Modbus for easy integration to other industrial PLC control systems. [www.trane.com](http://www.trane.com)

### ALLEN-BRADLEY

Process logic automation components and integrated control systems from the world leader in PLC automation. [www.rockwellautomation.com](http://www.rockwellautomation.com)

### BALTIMORE AIR COIL

Factory assembled cooling towers, fluid coolers, and adiabatic-cooled condensing units. [www.baltimoreaircoil.com](http://www.baltimoreaircoil.com)

### COMPOSITE COOLING SOLUTIONS

Field erected FRP cooling towers, field erected concrete cooling towers, fiberglass factory assembled cooling towers. [www.compositecooling.com](http://www.compositecooling.com)

### CANARIIS CORPORATION

Pumping packages, booster stations, heat transfer skids, air-cooled and water-cooled chilled water plants, steam and hot water boiler plants, fire pump skids and enclosures. [www.canariis.com](http://www.canariis.com)

### INGENIA TECHNOLOGIES

Custom air handlers (316L, 316, 304, aluminum, and galvanized), direct replacement air handlers, onshore and off-shore air handlers, AHUs with custom piping and pumping packages, packed mechanical rooms. [www.ingeniatechnologies.com](http://www.ingeniatechnologies.com)

### INNOVENT

Custom energy recovery units, custom air handling units, desiccant dehumidifiers, pool dehumidification units, packaged refrigeration systems (heat pumps, a/c and evaporative condensing). [www.innoventair.com](http://www.innoventair.com)

### VALENT

Packaged rooftop units, packaged dedicated outside air units, split system dedicated outside air units, dedicated outside air heat recovery units (enthalpy wheels, enthalpy cores, sensible plate air-to-air heat exchangers). [www.valentair.com](http://www.valentair.com)

## INDUSTRIAL LINE CARD (continued)

### MOJAVE

Novel liquid desiccant systems targeting energy efficiency and reducing the climate impact of HVAC. [www.mojavehvac.com](http://www.mojavehvac.com)

### THERMAX

Steam and waste heat, hot water, direct-fired absorption chillers, Class I Div I and II absorption chillers. [www.thermaxglobal.com](http://www.thermaxglobal.com)

Cooling, conditioning, purifying.

### MTA

1/2 ton-60 ton process chillers with pump package and buffer tank, typically maintained in stock. [www.mta-usa.com](http://www.mta-usa.com)

### CLIMATE CRAFT

Custom AHUs that are used to provide comfortable efficient environments in healthcare, education, laboratory, commercial, and high tech manufacturing facilities. [www.climatecraft.com](http://www.climatecraft.com)

### JOHNSTON BOILER COMPANY

Hot water and steam firetube boilers (up to 300psi), 2, 3 & 4 pass wetback design, waste heat recovery boilers, low NOx, deaerators. [www.johnstonboiler.com](http://www.johnstonboiler.com)

### ALFA LAVAL

Plate and frame and brazed plate heat exchangers. [www.alfalaval.us](http://www.alfalaval.us)

### MARLO INCORPORATED

Water softeners, water filtration systems, reverse osmosis systems (RO Systems), deionized water systems, boiler feed systems. [www.marlo-inc.com](http://www.marlo-inc.com)

### CLIMATE BY DESIGN INTERNATIONAL

Active and Passive Desiccants air handlers for low dewpoint/humidity environments. Critical process air handlers for industrial, EV, battery manufacturing, semiconductor, and lab environments. [www.cdihvac.com](http://www.cdihvac.com)

### ARCTIC CHILLER GROUP

Air cooled and water cooled centrifugal chillers utilizing Turbocor compressors, modular chillers, process chillers, medical chillers (linear accelerator and MRI), pump and hydronic packages. [www.articchillergroup.com](http://www.articchillergroup.com)

### TRIATEK

Fume hood controls, room pressure controls, air valves (damper and venturi), high performance fume hoods. [www.triatek.com](http://www.triatek.com)

### TECHNICAL SYSTEMS, INC.

Custom DX condensing units, custom air-cooled and evaporative-cooled chillers, 316L SS chillers, and condensing units, 316L coils, Class I Div I & II custom chillers. [www.technical-systems.com](http://www.technical-systems.com)
