

## KEY MANUFACTURERS

### TRANE EQUIPMENT & SYSTEMS

- Complete line of light commercial and commercial units
- Energy analysis, HVAC training programs, systems application expertise
- Computer room cooling, Thermal Storage.
- Water-Cooled Centrifugal Chillers, Water-Cooled Chillers, Air-Cooled Chillers
- Modular Units, Packaged Units, Water-Sourced Heat Pumps
- Air Handling Units, Make-Up Air Gas Heating Units, Unit Heaters
- Thermal Units, Split Systems, Outdoor Air Solutions, VFD

[www.trane.com](http://www.trane.com)

### TRANE BUILDING AUTOMATION

- Complete line of building automation solutions for large and small facilities
- Energy conservation solutions: IAQ, LEED, and demand-side management
- Building Automation: Tracer SC+, Pivot Smart Thermostat, Symbio, Air-Fi Zone Sensors
- Building Management Systems: Tracer Ensemble, Tracer Ensemble, Tracer Ensemble, BAS Operator and Occupant Apps

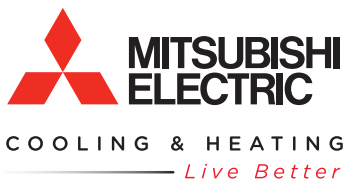

[www.trane.com](http://www.trane.com)

### BALTIMORE AIRCOIL COMPANY

- Closed Circuit Cooling Towers
- Cooling Towers
- Hybrid and Adiabatic Coolers
- Evaporative Condensers
- Ice Thermal Storage

[www.baltimoreaircoil.com](http://www.baltimoreaircoil.com)

### MITSUBISHI TRANE

- Electrifying buildings with variable refrigerant flow (VRF) systems, ductless split systems.
- N-Generation CITY MULTI, HVRF, NvSeries, P Series, Indoor Units, and LEV Kits
- VRF Controls

[www.metahvac.com](http://www.metahvac.com)

## MANUFACTURERS SYSTEM BY TYPE

AIRSIDE

### CLIMATE BY DESIGN INTERNATIONAL

Active and passive desiccants air handlers for low dew point/humidity environments. Critical process air handlers for industrial, EV, battery manufacturing, semiconductor, and lab environments.

[www.cdihvac.com](http://www.cdihvac.com)

### CLIMATE CRAFT

Semi-custom air handling units that are used to provide comfortable efficient environments in healthcare, education, laboratory, commercial, and high tech manufacturing facilities.

[www.climatecraft.com](http://www.climatecraft.com)

### INGENIA TECHNOLOGIES

Full-custom air handlers (316L, 316, 304, aluminum, and galvanized), direct replacement air handlers, onshore and off-shore air handlers, AHUs with custom piping and pumping packages, packed mechanical rooms.

[www.ingeniatechnologies.com](http://www.ingeniatechnologies.com)

### INNOVENT

Custom energy recovery units, custom air handling units, desiccant dehumidifiers, pool dehumidification units, packaged refrigeration systems (heat pumps, A/C, and evaporative condensing).

[www.innoventair.com](http://www.innoventair.com)

### KCC COMPANIES

Provider of efficient dehumidification and energy recovery equipment.

[www.kcccompanies.com](http://www.kcccompanies.com)

### MJC, Inc.

Air rotation units, custom HVAC equipment, modular self-contained replacements, modifications and coating.

[www.mjcinc.com](http://www.mjcinc.com)

### MOJAVE

Novel liquid desiccant systems targeting energy efficiency and reducing the climate impact of HVAC.

[www.mojavehvac.com](http://www.mojavehvac.com)

### TECHNICAL SYSTEMS, INC.

Custom DX condensing units, custom air-cooled and evaporative-cooled chillers, 316L SS chillers, and condensing units, 316L coils, Class I, Div. I and II custom chillers.

[www.technical-systems.com](http://www.technical-systems.com)

### TEMSPEC

Classroom unit ventilators, high-rise fan coils.

[www.temspec.com](http://www.temspec.com)

### VALENT AIR

Packaged rooftop units, packaged dedicated outside air units, split system dedicated outside air units, dedicated outside air heat recovery units (enthalpy wheels, enthalpy cores, sensible plate air-to-air heat exchangers).

[www.valentair.com](http://www.valentair.com)

## MANUFACTURERS SYSTEM BY TYPE (continued)

AIR FILTRATION & LAB PRESSURE CONTROL

**GENESIS AIR**

Design and manufacture of Trane Catalytic Air Cleaning System (TCACS), filtration system combining MERV rated filters, integral UV lights and special material to produce a chemical reaction which combats organic and inorganic particles, can be used with both new and existing AHUs.

[www.genesisair.com](http://www.genesisair.com)

**TRIAATEK**

Fume hood controls, room pressure controls, air valves (damper and venturi), high performance fume hoods.

[www.triatek.com](http://www.triatek.com)

AIR ROTATION UNITS

**MAINSTREAM**

Expertly-engineered EC fans and coils for critical solutions. Our IntelliCUBE fan system is the ideal solution for those responsible for keeping clients comfortable.

[www.mainsteam-corp.com](http://www.mainsteam-corp.com)

**POWRMATIC**

Manufactures a complete line of direct-fired and indirect-fired heaters, cooling systems and media and electrostatic air cleaners that can be customized to fit your needs.

[www.powrmatic.com](http://www.powrmatic.com)

CHILLERS

**ARCTIC CHILLER GROUP**

Air cooled, water cooled centrifugal chillers utilizing Turbocor compressors, modular & process chillers, medical chillers (linear accelerator & MRI), pump & hydronic packages.

[www.articchillergroup.com](http://www.articchillergroup.com)

**MTA**

Global leader of industrial process cooling & compressed air treatment products.

[www.mta-usa.com](http://www.mta-usa.com)

**THERMAX**

Steam and waste heat, hot water, direct-fired absorption chillers, Class I Div. I and II absorption chillers.

[www.thermaxglobal.com](http://www.thermaxglobal.com)

CONTROLS

**TELKONET**

A controls platform with open-system technology, enabling it to integrate with the communication protocols your building and already uses: Wi-Fi, Bluetooth, and Zigbee. EcoSource+ acts as the "brain" of the room, serving as the EcoSmart room automation controller.

[www.telkonet.com](http://www.telkonet.com)

CURBS

**THYBAR**

Custom roof curbs, equipment modifications, replacement air handlers.

[www.thybar.com](http://www.thybar.com)

## MANUFACTURERS SYSTEM BY TYPE (continued)

HEAT EXCHANGERS

**Kelvion**

**KELVION**

Plate and frame and brazed plate heat exchangers.

[www.kelvion.com/us/](http://www.kelvion.com/us/)

MODULAR SOLUTIONS

**TAS ENGINEERED MODULAR SOLUTIONS**

Packaged central chiller plants, combined heat, power plants.

[www.tas.com](http://www.tas.com)

**CANARIIS CORPORATION**

Pumping packages, booster stations, heat transfer skids, air-cooled and water-cooled chilled water plants, steam and hot water boiler plants, fire pump skids and enclosures.

[www.canariis.com](http://www.canariis.com)

NOISE REDUCTION

**BRD HUSH CORE**

Noise and vibration control and acoustical solutions.

[www.hushcore.net](http://www.hushcore.net)

PIPING SYSTEMS

**REFTEKK**

Bendable H55 hard copper, digibender, swag expander, brazing rings. Usable for refrigerant piping, plumbing, and medical gases.

[www.reftekk.com](http://www.reftekk.com)

THERMAL STORAGE

**CALMAC**

Electrical demand reduction systems, thermal storage systems, Ice Bank energy storage, thermal battery systems, glycol management system, plate heat exchanger, and IceMat ice rinks.

[www.calmac.com](http://www.calmac.com)

VENTILATION

**ALDES**

Heat and energy recovery, airflow and zone controls, fans, make-up air solutions, indoor air quality, high-performance roof caps.

[www.aldes-na.com](http://www.aldes-na.com)

### HUNTON DISTRIBUTION - PARTS AND SUPPLIES

**NORTH HOUSTON**

16335 Central Green Blvd.  
Houston, TX 77032

**WEST HOUSTON**

10560 Bissonnet St.  
Houston, TX 77099

**SOUTH HOUSTON**

735 FM 1959 (Dixie Farm Rd.)  
Houston, TX 77034

281-HUNTON-1 | [www.huntondistribution.com](http://www.huntondistribution.com)
